Public Notice
Fall Weed and Vegetation Control Applications
September 29-October 7, 2026

Public notice is given that the weed control application, Triad Herbicide, will be applied at our parks. The re-entry requirement: people and pets must stay out of the treated areas until the spray has dried. This weed control product will be applied to our parks according to the following schedule:

Lawn Treatments

10/6

- Springfield Park and Playground
- Lakeview Park and Playground

10/7

- Tuttle Park
- Erie Park and Playground
- Westlake Park
- Sunnyside Park
- JRC/OASIS
- Circle Park and Playground
- Old Town Park – Paver Walks

Vegetation Control

For vegetation control, Roundup Quick Pro will be used. The re-entry requirement: 12-hour Restricted Entry Interval (REI). The product will be applied on the following schedule:

10/7

- Springfield Baseball Fields #1, #2, and #3

For questions, please contact the Parks Department at 630-529-3650 x580.
