Discuss Potential Referendum Question

Representatives from Public Communications, Inc. were in attendance to discuss the products and services they could provide to the Bloomington Park District.

The scope of the project was reviewed in anticipation of a referendum question requesting \$9.9M from the voters to purchase bonds for capital projects. The plan is to present this referendum question on the November 2016 ballot.

Staff and the board feel that engaging services from Public Communications, Inc. would assist in our efforts to educate our residents on the agency's needs.

Adjournment

Commissioner Johns moved, seconded by Commissioner Marshall, to adjourn the meeting at 8:22 pm. On voice vote the motion was approved 5-0.

Respectfully submitted,

Carrie A. Fullerton
Board Secretary
