

**Bloomington Park District  
Board of Commissioners SPECIAL Meeting  
August 20, 2018  
Johnston Recreation Center Tour, 6:00 pm**

**Meeting Called to Order**

President Puccio called the meeting to order at 6:05 pm. In attendance were Commissioners Karen Johns and Andre Burke; contractors Mike Rink and Rob Snover; and staff members Carrie Fullerton, Sandy Vangundy, Joe Potts, and Jackie Tithof Steere.

**Recognition of Visitors**

No guests were in attendance.

**Tour of the Johnston Recreation Center**

Mike Rink of Corporate Construction led the tour of the Johnston Recreation Center, which is currently under construction due to the successful 2016 referendum. Mike confirmed the building is solid. Meeting attendees were shown the upper and lower levels of the building, with walls and flooring removed from each. The ceiling height in the basement cannot be changed. Mike is working with two goals in mind: to have a new roof installed before November so that construction can proceed without interruption and to allow gymnastics back into the building in a timely fashion.

(Frank Parisi of Williams Architects joined the meeting at 6:15 pm. Commissioner Jerry Marshall joined the tour at 6:25 pm.)

**Adjournment**

President Puccio adjourned the meeting at 6:42 pm.

Respectfully submitted,

Carrie A. Fullerton  
Board Secretary
