## Adopt-A-Park

Show community pride and civic responsibility by partnering with the Bloomingdale Parks Foundation and taking part in the Adopt-A-Park program.

The program is designed to be a low-key, informal approach to involve the community with its neighborhood park by "keeping an eye out" for potential hazards, vandalism and general park abuse, as well as assisting in keeping parks clean and free of invasive vegetation. It is the Park Foundation's hope that this involvement will increase the level of appreciation and awareness.

Adopt-A-Park sponsors receive a special sign(s) displayed in their adopted park, affixed to existing park signage, acknowledging their adoption of park. Additional terms and conditions apply. Contact [josh@bloomingdaleparks.org](mailto:josh@bloomingdaleparks.org) for more information.
