

## Little Acorns at Home

Little Acorns at Home is an extension of the Little Acorn Academy, designed especially for children to learn at home with adult supervision. Our Little Acorns who participate from home will experience the same curriculum goals as our in-person students. Miss Terri will prepare at home activities that encourage the development of fine and gross motor skills, and basic academics including language arts, math, science, and art. Every week our at home Little Acorns will also receive a book or special activity to enhance the at-home experience.

Pick up your Little Acorn at Home "Discovery Bag" each week on Monday, or Bloomingdale Park District residents may choose the delivery option. An at home school supply list will be sent to all students prior to the first week of at home school. This semester long program is 17 weeks. If you register midsemester please contact Rebecca (rebecca@bloomingdaleparks.org) for the appropriate fee.
