Little Acorns at Home 😊

Little Acorns at Home is an extension of Little Acorn Academy, designed specifically for preschoolers at home with adult supervision. Our Little Acorns who participate from home experience the same curriculum goals as our in-person students. Miss Terri prepares at-home activities that encourage the development of fine and gross motor skills and basic academics including language arts, math, science and art. Each week our Little Acorns at Home receive a book or special activity to enhance the at-home experience.

Pick up your Little Acorn at Home "Discovery Bag" each week on Monday, or Bloomingdale Park District residents may choose the delivery option. An at-home school supply list will be sent home to all students prior to the first week of at-home school. This semester-long program is 13 weeks. If you register midsemester, please contact the Johnston Recreation Center Front Desk for the appropriate fee.
