The Deck Attendant is responsible for maintaining the safety and cleanliness of the pool facility. The Deck Attendant is largely responsible for setting up and tearing down equipment, taking inventory, bringing lifeguards anything they may need and completing any tasks assigned by the Pool Manager.

Supervisors:

Aquatic Supervisor and Pool Manager.

Qualifications:

Must be at least 15 years of age.

Duties and Responsibilities:

Essential Functions:

- Cleaning of the facility to include concession stand, locker room, deck, grass hill, staff room, first aid room and parking lot.
- Place and remove lane lines when necessary.
- Fill lifeguard water bottles, bring out sunscreen to lifeguards when requested.
- Pull out and remove equipment daily.
- Inspect and document safety equipment daily.
- Inventory and document first aid supplies daily.
- Move chairs when necessary.
- Perform all job tasks within the rules and guidelines of the District's safety program.
- Sanitize pool deck and facility as assigned by the pool manager.
- Ensure that patrons are staying to their assigned pool section.

Marginal Functions:

- Assist in set up and running of all areas of the facility as needed.
- Set up extra equipment for special events. (birthday parties, etc.)
- Help set up swim meet equipment on days there are swim meets.

Psychological Considerations:

- The Deck Attendant must work closely with co-workers.
- The Deck Attendant must work around the general population.
- The Deck Attendant has responsibility for the safety of all patrons while at the facility.
- The Deck Attendant must work under the supervision and direction of supervisors.
- The Deck Attendant must be able to make decisions to assure safety in the facility.

Physiological Considerations:

- The Deck Attendant works in a climate of 68 degrees Fahrenheit and higher with sometimes high humidity.
- The Deck Attendant must be able to respond quickly and accurately.

Environmental Considerations:

- The Deck Attendant will be exposed to the weather conditions which can include cold, rain, and extreme heat and humidity.

Cognitive Considerations:

- The Deck Attendant must be able to follow directions from supervisors and co-workers.
- The Deck Attendant must be able to give directions to co-workers and patrons while at the facility.
- The Deck Attendant must use good safety awareness and judgment. The considerations as listed above are not to be construed as a complete and/or limiting list.

Work Hours and Compensation:

A Deck Attendant is a part time seasonal employee working 0-40 hours per week. Work shifts vary day to day. These hours may be as long as 8 hours, but there are extended breaks within this period.
