# Registration Waiver & Release

The Bloomingdale Park District is committed to conducting its recreation programs and activities in a safe manner and holds the safety of participants in high regard. The Bloomingdale Park District continually strives to reduce such risks and insists that all participants follow safety rules and instructions that are designed to protect the participant's safety. However, participants and parents/guardians of minors registering for the above listed programs/activities must recognize that there is an inherent risk of injury when choosing to participate in recreational activities/programs.

You are solely responsible for determining if you or your minor child/ward are physically fit and/or skilled for the activities contemplated by this agreement. It is always advisable, especially if the participant is pregnant, disabled in any way or recently suffered an illness, injury or impairment, to consult a physician before undertaking any physical activity.

## WARNING OF RISK

Recreational activities are intended to challenge and engage the physical, mental and emotional resources of each participant. Despite careful and proper preparation, instruction, medical advice, conditioning and equipment, there is still a risk of serious injury when participating in any recreational activity. Understandably, not all hazards and dangers can be foreseen. Depending on the particular activity, participants must understand that certain risks, dangers and injuries due to inclement weather, slip and falls, poor skill level or conditioning, carelessness, horseplay, unsportsmanlike conduct, premises defects, inadequate or defective equipment, inadequate supervision, instruction or officiating, and all other circumstances inherent to indoor and outdoor recreational activities exist. In this regard, it must be recognized that it is impossible for the Bloomingdale Park District to guarantee absolute safety.

## WAIVER AND RELEASE OF ALL CLAIMS AND ASSUMPTION OF RISK

Please read this form carefully and be aware that in signing up and participating in the programs listed above, you will be expressly assuming the risk and liability and waiving and releasing all claims for injuries, damages or loss which you or your minor child/ward might sustain as a result of participating in any and all activities connected with and associated with these programs (including transportation services and vehicle operations, when provided).

I recognize and acknowledge that there are certain risks of physical injury to participants in these programs, and I voluntarily agree to assume the full risk of any and all injuries, damages or loss, regardless of severity, that my minor child/ward or I may sustain as a result of said participation. I further agree to waive and relinquish all claims I or my minor child/ward may have (or accrue to me or my child/ward) as a result of participating in these programs against the Bloomingdale Park District, including its officials, agents, volunteers and employees.

**I have read and fully understand the above important information, warning of risk, assumption of risk and waiver and release of all claims. If registering on-line or via fax, my online or facsimile signature shall substitute for and have the same legal effect as an original form signature.**

## **Using ePACT Network**

Bloomington Park District is proud to announce our adoption of ePACT Network for better safety!

ePACT is a secure emergency network, that we will use to collect medical and emergency contact information electronically. Not only will ePACT replace paper forms, but it will also ensure we have a way to communicate with you in the event of an illness, injury, or larger scale emergency.

### **Why are we using ePACT?**

- To save you time - With ePACT, you only need to complete your child's information once, and then verify that it is still correct for additional programs or subsequent years (which can be done in just two minutes)!
- Improved privacy and security – Eliminating paper forms ensures that your key information is safe and secure, while authorized staff members can still access this information any time they need it.
- Better support – ePACT makes it easy for you to share comprehensive health and emergency contact details, so we can provide the best support to your child. Plus, you can update this anytime and we will automatically receive those new details.

### **How it works**

- You'll receive an email invite in August 2021 to share information with the Bloomington Park District.
- Click 'Complete Request' to create a free account, or log-in if you already have an existing ePACT account.
- Enter the required information, like medical conditions, and share it with the Bloomington Park District so that program staff have access.

ePACT makes it far easier for you to share emergency information with us, while also ensuring we have access to records anytime, anywhere with the mobile app – even without an internet connection.

Rest assured that you always own your account and the information in it. Plus, ePACT maintains the same levels of security as online banking, and limits access only to the administrators we assign for enhanced privacy.
