Dear Bloomingdale Park District Families,

Welcome to WT Café! We are a fresh food company specializing in bringing fresh, wholesome, delicious and kid-friendly meals to kids where they live, work and play! We are thrilled to be partnering with the BPD this summer to bring our all natural meals to your children *each day* to camp. We have already been delivering lunches to the preschool and Kindergarten children and are happy to be able to offer it to campers of all ages this summer.

We offer a wide variety of meals each day to satisfy everyone from the pickiest to the most adventurous of eaters. We never use artificial ingredients and all of our recipes are nut free, so there's truly something for everyone! You will find nutritional information, ingredients and more on our website: wtcafeofnaperville.com.

We have tailored our program to fit the needs of this year's campers, and will offer lunch on M, Tu, Th, F. Below you will find instructions on how to participate and since we are a locally owned company, feel free to contact us at any time with questions. We look forward to spending a delicious summer feeding your children!
