

As a member or a parent, how do I answer health screening and/or temperature questions?

Modified on: Tue, 24 Nov, 2020 at 9:11 AM

As part of checking in with an organization, you may be asked to answer a series of daily health screening questions to help diminish the risk of exposure. In fact, in certain states and provinces, this is being mandated by Health Authorities as an effective way of mitigating risk and assisting with contact-tracing.

If your organization has enabled this feature, you are able to answer these questions ahead of time. To answer the pre-screening questions, follow these steps:

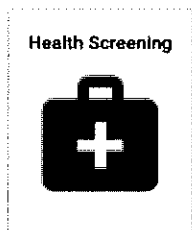

1) Visit <https://portal.epactnetwork.com/> (<https://portal.epactnetwork.com/>) and log in using your regular ePACT username and password, or navigate to your 'ePACT Family App' if you've already set one up. (or go to <https://www.epactnetwork.com/us/login> (<https://www.epactnetwork.com/us/login>) and click on the QR Code symbol to get started.)

2) Choose Health Screening questions.
